

Complimentary Access to Hundreds of Training Titles

CWA recognizes the importance of keeping your skills current with continued training in tools like Excel, AutoCAD, Word, Final Cut Pro, Premiere, Photography Dreamweaver. That's why we are partnering with Lynda.com, an award-winning provider of educational materials including an expansive Online Training Library® in subjects important to you.

10 Reasons to Participate

1. No long-term commitment
2. Access to 628 training courses - that's 5,023 individual videos
3. Self-paced learning
4. Modular videos that teach specifics
5. New training courses added weekly
6. 200+ expert instructors
7. Available for members and their family
8. A convenient way to stay up-to-date with the latest software and technology
9. Closed captioning for many courses
10. And it's all online - and complimentary for CWA members only.

Eligibility

All CWA members and their immediate family are eligible for this complimentary training program. Just share your log-in information at home. You must enter your local number when registering for us to validate your membership status.

It's all FREE for you at www.cwanett.org

How it works

"I use this service all the time, thanks to my union!"

— Ricky Ramirez
AFA-CWA
Local 21062

1. Access to the Lynda.com site is shared throughout the CWA membership. Licenses are reassigned every two weeks to the next member who has registered for the Lynda.com program on the CWA/NETT Academy website. When you have access, you can view as many of the 5,000+ videos as you wish. When your two weeks are up, you can re-register again and again. LOG-IN now and receive your free access. All CWA members and their families are eligible.
2. Go to www.cwanett.org and create a log-in
3. Select the RESOURCES tab on the main menu.
4. Select CLICK HERE TO REGISTER
5. Select the Lynda.com class and a list of two week sessions will appear.
6. Select the session you wish to participate.
7. Add to Cart and check out – It's FREE
8. On the date your session begins you will receive instructions through e-mail on how to get started.
